

Now you're laying asleep, content,
with tamed eyes, absent from me
sheltered from me

They caressed your hair
slipped the pill under your tongue
and whispered soft "it s okay" 's

The windows are blurry with rain
glossing out construction cranes
--refracting the dying lights

The chairs were almost comfortable
and within their mutual angle
you only had to roll your eyes to
spray a distant stare

We used to have warm ashtrays
hot coffee,
cold feet; torn out socks
Scrambled eggs and "fuck you weddings"

They caressed your hair
Slipped the pill under your tongue
and whispered soft it s okay 's

You should wake up and forget
But you slept remembering

They wear white coats
and indulgent airs

I will wear guilt and satisfaction
when you woke up and remembered
I went for a long walk and you never came back
